NEW YORK TIMES & USA TODAY BESTSELLER

From bestselling author Kristina McMorris comes another unforgettable novel inspired by a stunning piece of history.

2 CHILDREN FOR SALE

The scrawled sign, peddling young siblings on a farmhouse porch, captures the desperation sweeping the country in 1931. It's an era of breadlines, bank runs, and impossible choices.

For struggling reporter Ellis Reed, the gut-wrenching scene evokes memories of his family's dark past. He snaps a photograph of the children, not meant for publication. But when the image leads to his big break, the consequences are devastating in ways he never imagined.

Haunted by secrets of her own, secretary Lillian Palmer sees more in the picture than a good story and is soon drawn into the fray. Together, the two set out to right a wrongdoing and mend a fractured family, at the risk of everything they value.

Inspired by an actual newspaper photo that stunned readers across the nation, this touching novel explores the tale within the frame and behind the lens—a journey of ambition, love, and the far-reaching effects of our actions.
