In her ob-gyn practice, Dr. Hilda Hutcherson has seen women of all ages who have questions about sex. Now, in this down-to-earth book, she answers those questions and more as she addresses every sexual matter that has an impact on the lives of women. Combining up-to-date medical science with good old-fashioned girl talk, Dr. Hutcherson discusses sex in a lively tone that's as educational as it is engaging. With facts on female (and male) anatomy, aphrodisiacs, fantasy, orgasm, birth control, and more, she shows how to overcome sexual problems -- and achieve sensational sensual experiences.

Your mother may not have known what to tell you about sex, but Dr. Hutcherson will give you a real, honest education on sex and sexuality. And with a special chapter on talking to your daughter, you can pass your wisdom on to the next generation.
